**Subject: HRC Battle of The Bands on March 14, 2013**

**The Red Barn Theatre has no objections to the Hard Rock Cafe request for a noise variance from the City of Key West beginning at 10 pm on March 14 for the "Battle of The Bands" promotion as long as the driveway is not blocked. Our show on that night will begin at 8pm and should be completed by 9:45 pm.**

**Thank you for seeking our input and for your consideration.**
