Supporters of the Bishop Kee Statue

Dear Mayor and Commissioners,

Bishop Kee was an ambassador of Key West and a fixture at the Southernmost Point for decades. His legacy is a symbol of the history and heritage of Bahama Village and the multi-cultural community that has made Key West great from the beginning.

It is time for the City of Key West to find funding for Bishop Kee's statue and honor his legacy. I support the creation and placement of the Bishop Kee statue.

Sincerely,
