Ordinance:

Pursuant to Subpart A, Chapter 2, Article VII, Division 3, Subdivision 2, Sec. 2-797 of the City of Key West Code of Ordinances, the Emergency Procurement procedure the City Manager may make emergency procurement of commodities where the cost exceeds \$50,000 when there exists a present threat to public health, property, and safety or other substantial loss to the City.

Due to the increased in price of fuel the Purchase Order with Sunshine Gasoline has been depleted. We are increasing the PO \$950,000 to make it through the rest of FY22. The fuel is needed to keep the Seaport tenants' vessels in operation. This includes our Commercial, Ferry and transient tenants.
