Hi,
One of my friends has to work in last week of August, do you have the Coral House free if we rented it from July 30 to August 3?
Getting this many friends together is hard to do.
Thanks,
John

Dear John-

I'm sorry, but it is not available. But Casa Louisa is still available then.

oh, its already rented?
To bad, let me take a look at the other house. I'll get back to you.
John
