Key West Fire Department

Attention: Chief Edward Perez

Stryker is the sole manufacturer of the **Power Pro XT ambulance cot, Performance Pro XT, the Stair Pro Stair Chair, XPS (expandable patient surface), the Power-Load and Performance-Load cot fastener systems, and all accessories and replacement parts for these products.** As a direct sales representative for Stryker, we are the only factory direct provider in the state of Florida. Any distributor will need to purchase these products from Stryker first, then resell the products to the Key West Fire Department.

Thank ou for the opportunity to assist the Key West Fire Department.

Sincerely,

Steve Winsor
