Sue,
We received a letter of support (email) for our agenda items (17 & 18) that we would like to have included into the online agenda packet please.
Could you please confirm so I can download an updated packet before the meeting?
Thanks a million!

Kevin, it was nice to talk with you this afternoon about Fleming Street. As I said, I own 811 Southard Street, 815 Southard Street LLC, and 529 William Street, so I'm definitely in the neighborhood. I have absolutely no objection to a commercial use, as we discussed, for 801-807 Fleming Street and really think that's the best use for the property.

If you need to reach me for any reason, my New Jersey number is 732-291-8761 and mobile is 305-900-7577.

Good luck with the project.
