

THE CITY OF KEY WEST

Post Office Box 1409 Key West, FL 33041-1409 (305) 809-3700

EXECUTIVE SUMMARY

Date: February 22, 2023

To: Patti McLauchlin, City Manager

From: Janet Muccino, Project Manager

Cc: Todd Stoughton, Assistant City Manager
Christina Bervaldi, Finance Director

Subject: **E Sciences Inc. name change to Resource Environmental Solutions.**

Action Statement

Approve the Contract Amendment for the name change of E Sciences Inc. to Resource Environmental Solutions, LLC (RES) to provide services to the City of Key West under the existing Environmental Engineering Services Agreement.

Background

The City of Key West City Commission issued Resolution 20-039 for Environmental Engineering Services, whereby the City Manager subsequently negotiated agreements with selected firms including E Sciences, Tetra Tech, Atkins & GHD.

Purpose & Justification

Effective January 27, 2022, E Sciences was acquired by RES. This name change is administrative in nature and RES will continue to maintain their current resources, contract and other existing services to the City of Key West. Federal tax identification number (FEIN) number will remain the same.

Refer to attached letter from RES dated January 30, 2023.

Financial Issues

Financial implications of this resolution are limited to future task orders issued by staff and subject to City Commission/City Manager approval of the identified project(s). Unit prices from the current base contract are unchanged.

Recommendations

Engineering Staff recommends approving the name change from E Sciences Inc. to Resource Environmental Solutions, LLC (RES). RES will continue to provide services to the City of Key West under existing Environmental Engineering Services Agreements.
