EXECUTIVE SUMMARY

TO: Art in Public Places Board
FROM: Art in Public Places Administrator
DATE: May 8, 2017
SUBJECT: AIPP Guidelines

ACTION STATEMENT

The AIPP Board and City staff have developed and revised a document containing Guidelines for the operationalization of the Art in Public Places Ordinance, Sec. 2-487.

BACKGROUND

The Ordinance, Sec. 2-487 states that the Board will develop Guidelines for the location and display of Public Art and for the competitive selection of and purchase of Public Art. In order to achieve this, the Board has developed and revised a single Guidelines document which addresses the above requirements.

PURPOSE & JUSTIFICATION

Having met and deliberated over the contents and format of the Guidelines document through a consensus process, the AIPP KW Advisory Board has successfully met the requirements of the Ordinance, to develop Guidelines.

RECOMMENDATION

This document has been reviewed and revised by staff and the Board members. It encompasses the parameters of the AIPP Program and provides a foundation on which Art in Public Places can move forward. It is recommended that the Board vote to approve this document and accept it as their Guidelines.

FINANCIAL IMPACT

Operational Guidelines allow the AIPP processes to be better understood and more succinctly executed, improving economic efficiency and increasing opportunities for Board engagement.
