Subject: 1215 Margaret Street

Good day,

I am writing, in regards to the variance request for 1215 Margaret Street (#00029690-000000. AK#1030457). We reside and own 1209 Margit Street. We would like that this letter get submitted to the Planning Department. We are in full support of the improvements that our neighbors would like to make. We think they have the right to make such improvements and are grateful they care for their property to make such an investment.

Sincerely,

Mark and Dina Gambuzza
1209 Margaret Street
