

## COMMENDATION

It is with great pride that the City of Key West shall honor Marta Staniec as the winner of the Key West High School Outstanding Achievement/Unsung Hero Award. Marta moved to Key West from Poland several years ago and quickly learned to speak English. Her fluency continues to flourish as demonstrated by an impressive 3.9 GPA in a challenging high school curriculum. Through her studies in her health careers class she has found her career focus and she wants to become a doctor. This well-rounded young lady has been a member of the KWHS track and swim teams as well as the Conchette's dancing team. This year she found another sport she loves, wrestling. As one of only two girls on the high school wrestling team, Marta says she will pin a boy in a match before she graduates. Marta has been described by a teacher as a spunky, high spirited girl who is well deserving of recognition. Marta hopes to attend the University of Florida or the University of Miami and pursue a medical career. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this  
Commendation to:

**MARTA STANIEC**

WITNESS my hand and seal of the City of Key West, Florida, this 5<sup>th</sup> day of April, 2011.
