To Whom It May Concern:

Re: Purchase of 2507 Linda Avenue

It is our intent to purchase the home at 2507 Linda Avenue as our primary and permanent residence.

After four years of living in Key West it is our dream to purchase a home and raise a family. This property would allow us to fulfill that dream. This will not be used as a vacation rental or any type of income generation device. It will serve as a home for us and the children that we intend to have while being active members in our community.

Sincerely,
