Dear City of Key West and All Supporters:

This letter is to verify the Lower Duval Street Merchants established a scholarship for students at Key West High School for the 1997-98 school year. The amount given each year to very deserving students has ranged from a total of \$3,000 to \$1,500 for each year since the establishment of the scholarship. We understand that the money for these scholarships is raised during the Lobsterfest each year.

Many students have benefited from the efforts of this group of people. This type of continued support from our community is a great encouragement to our students, our families, and our faculty. We here at Key West High School are most grateful for our many community partnerships with special people such as the group who organize the annual Lobsterfest. We are most fortunate that so many work tirelessly to invest in our city's future. I hope you will lend them the support they need to raise the funds for the most worthy project.

Thank you for your consideration in this matter.

Sincerely,

Alice Calleja
