Re: Code Complaint at Arthur Sawyer Post #28, The American Legion

Dear Ms. Meizis:

This will acknowledge the receipt of your letter dated March 1, 2010 by Post #28 of The American Legion. I am the appointed Judge Advocate of the Post.

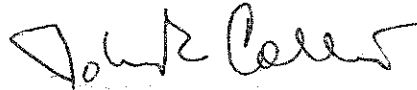

By direction of the Executive Board at a meeting held on March 16th, I was directed to represent the Post and work with the City of Key West on this matter. At this time, I am requesting an extension of 45 days to the March 28th date cited in your letter. In addition to researching local ordinances and state law, I will be looking into whether there are any federal regulations or exemptions for United States Government-chartered veterans organizations which may be applicable. Additionally, it is my understanding that the Post property was conveyed to the American Legion by the City of Key West and there may be some deed provisions that may be applicable to this matter.

I would appreciate receiving any materials you may have that would supplement the items you have provided the Post and which would have a

bearing on this matter.

I thank you in advance for your kind attention to this request, and I look forward to meeting with you when I have completed my research.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Collins". The signature is written in a cursive style with a large initial "J" and "C".
