Subject: **{File 25-3379} Recommendation to Approve the “Reelin for the Cause Kids Fishing Tournament” on Saturday, April 26, 2025, from 3:00 p.m. to 8:30 p.m. at the Edward Knight Pier**

Introduction

The City Manager’s Office requests the approval of the “Reelin for the Cause Kids Fishing Tournament” on Saturday, April 26, 2025, starting at 3:00 p.m. and ending at 8:30 p.m.

Background

The City Manager’s Office has received an application from “Nichols Scanlon Foundation DBA Max’s Angels” for the Reelin for the Cause Kids Fishing Tournament on Saturday, April 26, 2025, at the Edward Knight Pier. This is a kids fishing tournament to raise money for congenital heart defects. They provide all fishing rods, reels and bait along with food and drinks. This year the event is taking place in the evening and will be selling alcohol, to receive more dad/family participation. All proceeds will be donated to the Nichols Scanlon Foundation DBA Max’s Angels. Max’s Angles primary mission is to honor loved ones while offering community assistance, with a significant emphasis on grief and mental health and wellness. They provide financial aid to cover funeral expenses and offer therapeutic support to individuals in need. By doing so, they aim to support their community during challenging times and promote overall well-being.

Procurement

There will be no additional expenses to the city as all service costs (Police/Fire/Community Services) are covered by the applicant, based on the Special Event Matrix.

Recommendation

The City Manager's Office recommends the Mayor & City Commission approve the "Reelin for the Cause Kids Fishing Tournament" on Saturday, April 26, 2025, at the Edward Knight Pier.
