-- Christopher Wayne Pruitt Griggs Arrest Narrative:

On Friday, March 17, 2023, at approximately 2256 hours, I (Ofc Andrade) responded to Charles St reference an individual that was in custody.

On arrival I approached Sgt Kouri and Sgt A. Rodriguez. I spoke with Sgt A. Rodriguez who told me that he deployed his TASER at Christopher Wayne Pruitt Griggs, DOB 06/02/1992, in the back, while he was standing by as a backup officer and taking position behind Griggs. Sgt A. Rodriguez explained that he believed violence was imminent upon Ofc Gruba by Griggs had he not intervened, explaining that Griggs made an expedient and purposeful aggressive advance towards Ofc Gruba with his hands balled into fists, who was nearby searching a Griggs' bag and unaware of Griggs' advance, after taking an aggressive fighting stance while speaking with Ofc Del Valle.

I later spoke with Officers Gruba and Thornburgh who told me that they, and Ofc Del Valle initially detained Griggs because he was yelling at people causing a public disturbance in front of The Green House, 211 Greene St, and people were complaining. Ofc Gruba then began to search Griggs' bag that he had with him, after obtaining Griggs' verbal consent.

Officer Thornburgh said that once the TASER cycle ended, he and Ofc Gruba attempted to place Griggs into handcuffs. As they were doing so Griggs withheld his right arm from Ofc Thornburgh and maintained it underneath his body when ordered to place his hands behind his back. Officers Thornburgh and Gruba eventually were able to securely place Griggs into handcuffs,

Key West Rescue was on scene attending to Griggs as I arrived, and later cleared him for transport. I Then transported Griggs to the Monroe County Detention Center for processing. I was then instructed to obtain a doctor's clearance for Griggs. I transported Griggs to Lower Keys Medical Center, 5900 College Rd, obtained the doctors clearance, and returned to the Monroe County Detention Center where Griggs was admitted and processed.

Ofc Gruba later informed me that when he finished searching Griggs' bag, he found a white cylindrical container labeled as a prescription for medical marijuana, containing .92 grams of a green and brown leafy substance that field tested for marijuana. The label did not contain Griggs' name, instead the label identified the name Deena Pruitt as the prescription holder. Ofc Gruba also informed me that Griggs had a predominately red in color glass pipe containing residue that field tested positive for marijuana. Ofc Gruba later submitted these items to the Key West Property and Evidence Department.

My BWC was activated during my involvement in this incident and later submitted to Evidence.com.

Based on the facts and evidence, I believe there is probable cause that on 03/17/2023, Christopher Wayne Pruitt Griggs did knowingly and intentionally violate F.S.S. 893.13(6)(a) Drugs Possess Controlled Substance without Lawful Prescription, by actually and intentionally constructively possessing .92 grams of a green and brown leafy substance that field tested for marijuana, a Schedule I controlled substance without a legal, lawful prescription.

Based on the facts and evidence, I believe there is probable cause that on 03/17/2023, Christopher Wayne Pruitt Griggs did knowingly and intentionally violate F.S.S. 843.02 Resisting without Violence, by actively withholding his right arm and holding it under his body as he was being handcuffed by Officers Thornburgh and Gruba, while they were engaged in their legal, lawful duties as uniformed law enforcement officers.

Victim	Offense

Based on the facts and evidence, I believe there is probable cause that on 03/17/2023, Christopher Wayne Pruitt Griggs did knowingly and intentionally violate F.S.S. 784.07 Assault of Law Enforcement Officer, by actually and intentionally moving expeditiously and purposefully in an aggressive manner towards Ofc Jack Gruba with his fists balled up into fists after having taken an aggressive fighting stance when speaking with Ofc Marcus Del Valle , while Officers Del Valle and Gruba were engaged in their legal, lawful duties as uniformed law enforcement officers, causing Sgt A. Rodriguez to have a well-founded fear that violence was imminent against Ofc Gruba.

Based on the facts and evidence, I believe there is probable cause that on 03/17/2023, Christopher Wayne Pruitt Griggs did knowingly and intentionally violate F.S.S. 893.147(1) Possess and/or Use Drug Paraphernalia, by actually and intentionally possessing a predominately red in color glass pipe containing residue that field tested positive for marijuana, consistent with narcotics use, within his possession.

On Friday, March 17, 2023 at approximately 2242 hours, I (Sgt. A. Rodriguez) watched as Ofc. J. Gruba, E. Thornbrugh, and Det. M. DeValle dealt with a disorderly subject on the 200 block of Duval Street.

I made my way over to the scene and took up a position out of sight behind the male, later identified as Christopher Griggs. I saw Ofc. E. Thornbrugh speaking with Griggs while Ofc. J. Gruba searched the bag Griggs had in his possession.

I noted Griggs' body language to appear aggressive; Griggs was clenching his fists, taking a bladed/fighting stance, pointing at officers, and moving about a small area as he berated numerous officers on scene.

Given the circumstances of Griggs' demeanor, I retrieved my TASER, turned it on, and pointed it at Griggs' person.

Griggs turned his attention to Det. M. DeValle, continued the same behavior as above, but never advanced towards the uniformed officer.

Without notice, Griggs then turned his attention towards Ofc. J. Gruba and began advancing towards him while having both of his fists balled up and taking a crouched, athletic stance as if he were preparing to fight.

Given Griggs' posturing and actions, I felt that there was an imminent danger of violence to Ofc. J. Gruba's person, who was unaware of the advances of Griggs.

I announced, "TASER! TASER! TASER!", and pulled the trigger, firing one cartridge of two probes at Griggs' person. I noted no response from Griggs and watched as one of the probes appeared to not penetrate his body. I deployed the second cartridge of two probes, both of which struck Griggs' person. I immediately noted Griggs' body tense as the TASER achieved neuromuscular incapacitation (NMI) and he fell straight backwards onto his back. Ofcs. J. Gruba and E. Thornbrugh then applied handcuffs to Griggs after a brief struggle.

We walked Griggs across Duval Street to Charles Street and awaited a transport officer (Ofc. E. Andrade) and Sgt. D. Kouri.

Upon Sgt. D. Kouri's arrival, I explained my involvement in this case, assisted in searching Griggs and placing him into Ofc. E. Andrade's patrol vehicle.

My AXON BWC was activated for this incident. My TASER cartridges were turned over to Ofc. J. Gruba for entry into KWPD Property and Evidence.

On March 17, 2023, at approximately 2242 hours, I, Officer J. Torrecillas assisted other officers who were engaged in an investigation of a suspicious person.

Upon my arrival, Christopher Griggs was standing and displaying erratic behavior. After several moments, Griggs turned in the direction of Officer J. Gruba and aggressively moved towards him. Sergeant A. Rodriguez announced "Taser Taser Taser," and deployed his Taser.

After Griggs was handcuffed, I assisted Griggs to his feet.

I retrieved my probe removal tool from my patrol vehicle and handed it to Sgt. Rodriguez. Sgt. Rodriguez handed me the spent cartridge and I placed it in a disposable glove. I later handed the glove containing the cartridge back to Sgt. Rodriguez.

My BWC was activated and uploaded to evidence.com.
