RE: Truman Annex Seawall Refurbishment
Contract # DTF 16-137 / FY 2016-2017 FDSTF \$150,000
Request for time extension to grant agreement

Dear Ms. Sanders:

The City of Key West respectfully requests a 1-year time extension to the term of Grant Agreement DTF 16-137 for the Truman Annex Seawall Refurbishment Project. The current agreement ends June 29, 2017. Approval of the 1-year extension to June 29, 2018 is requested.

Following a protracted, but necessary, design-build contractor selection through the Request for Proposal (RFP) process, the project was awarded to Ebsary Foundation Company early April 2017. The preconstruction meeting is scheduled for April 27, 2017, followed by a 60-day design period. Actual construction is expected to commence July 2017, with completion approximately 120 days thereafter.

Thank you for considering our request for additional time to facilitate the RFP and design-build construction processes. If you have any questions about our proposed timeline, please don't hesitate to contact me (305) 809-3741 or via email csheldon@cityofkeywest-fl.gov.

Sincerely,

A handwritten signature in blue ink that reads "Carolyn D. Sheldon".
