6. Permissible Requests by Covered Entity. Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity.
7. Term and Termination.
- a. Term. The commencement date for the term of this Agreement shall be July __, 2017. This Agreement shall terminate when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI, protections are extended to such information in accordance with the termination provisions in this Section.
 - b. Termination for Cause. Upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall:
 - 1) Provide an opportunity for Business Associate to cure the breach or end the violation within thirty (30) days after written notice and, if Business Associate does not cure the breach or end the violation within that time, terminate this Agreement; or
 - 2) Immediately terminate this Agreement upon written notice if Business Associate has breached a material term of this Agreement and cure is not possible as determined at the sole discretion of Covered Entity; or
 - 3) If neither termination nor cure is feasible, report the violation to the Secretary of

the Department of Health and Human Services.

c. Effect of Termination.

- 1) Except as provided in paragraph (2) of this subsection, upon termination of this Agreement, for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of any subcontractors or agents of Business Associate, and Business Associate has the duty to ensure that any and all of its subcontractors or agents comply with these termination provisions. Neither Business Associate, nor any of its subcontractors or agents, shall retain any copies of PHI upon termination of this Agreement.
- 2) In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity written notification of the conditions that make return or destruction infeasible thirty (30) calendar days prior to the termination of the Agreement or within thirty (30) calendar days of Business Associate's receipt of notice from Covered Entity of a material breach of this Agreement by Business Associate. Upon mutual agreement of the parties that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI.

8. Effect on Prior Business Associate Agreements: This Agreement supersedes and replaces any existing Business Associate Agreement in effect between Business Associate and Covered Entity. Any PHI Business Associate has received from Covered Entity prior to, on, or after the date of this Agreement is subject to the terms and conditions of this Agreement.

9. Miscellaneous.

a. Regulatory References. A reference in this Agreement to a section in the Privacy Rule means the section as in effect or as amended.

b. Amendment. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Rule and HIPAA; amendments are not effective unless in writing, signed by both Parties.

Survival. The respective rights and obligations of Business Associate under Section 7.c., "Effect of Termination," and Section 2.j., regarding Indemnification, of this Agreement shall survive the termination of this Agreement.

c. Interpretation. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule.
