About Palm Vista

- 120 bed skilled nursing facility located on Stock Island (Next door to Lower Keys Medical Center)
- Only nursing home located in the Lower or Middle Keys.
- We have been serving Key West for over 30 years, and we recently changed ownership/management (and our name) in 2020.

Our Services

Short-Term Rehabilitation:

- Dedicated unit focused on maximizing recovery potential after a surgery, hospitalization, or health setback.
- Intensive physical/occupational/speech therapy, wound care, IV infusion up to 7 days a week.
- Modern innovative therapy equipment including electronic stimulation, ultrasound, and even interactive therapeutic gaming.
- Average length of stay 3-4 weeks.

Our Services

Why Get Rehab in Key West?

- Key West Residents having surgery or hospitalization on the mainland can return to Key West for their rehabilitation and recovery.
- Family/Friends can visit easily and frequently.
- We have local knowledge of resources for the transition back to living at home.
- Our team understands your lifestyle and living situation and will tailor the care to your needs.

Additional Services

- Long Term Care “Nursing Home” services focused on quality of life.
- Short-Term Respite Care (for a caregiver that’s traveling or just needs a break)
- Therapeutic Recreation, Social Services, Nutritionist
- Consultation and Referrals – call us if you need advice!
- **We accept all major insurances including Medicare & Medicaid – we also help our residents apply for Medicaid.**

Community Engagement

Active Participation

In
Key West Business Guild

Key West Chamber of
Commerce

Keys Health Ready
Coalition

Florida Health Care
Association

Community Impact

325 residents served in
last year, and averaging
over 100 residents daily.

130 full time jobs with
excellent pay/benefits.

Wage increases across all
departments under new
ownership.

Capital Investment

Over \$600K in capital
improvements in 2021.

Many more capital
projects planned for 2022.

Personal Care Assistant (PCA) Program

- Newly approved Florida Apprenticeship for nursing aides
- Open to all: No prior experience required
- Paid on-site orientation and training
- Coaching and hands-on preparation for CNA certification
- Great entry point into a nursing career

Thank you!
