NARRATIVE OF INCIDENT

Investigation Details

Officer Narrative:

On March 8, 2026, at approximately 2050 hours, Officer Lopez (FTO) and I, Officer Michael Jakubowski, were dispatched to the liquor store located at Publix Plaza, 3312 North Roosevelt Blvd, in reference to an intoxicated subject harassing customers.

Upon arrival, I observed the Publix store manager waving me down. The manager stated that a male subject was at the liquor store causing a disturbance. I asked the manager if she wanted the subject removed and trespassed from the Publix property. The manager stated yes and said she did not want him on the property.

I then approached the subject near the entrance of the liquor store. The subject was later identified by a Florida identification card as Peter Maples (DOB: 03/13/1987). I had previous contact with Peter during a separate incident a few days earlier.

While speaking with Peter, I noticed he appeared restless and could not remain still. He continued walking toward me, entering my personal space. I had to tell him several times to stop and stand still. Peter handed me his ID card but continued pacing. I informed Peter that he was being trespassed from the Publix property located at 3312 North Roosevelt Blvd. I returned his ID and told him he was free to leave the property.

When I attempted to return the rest of Peter's belongings so he could leave, Peter began using his phone and asked an AI assistant if he could be trespassed from the property. Peter still refused to leave the Publix area. I again informed Peter that he needed to leave immediately, or further action would be taken.

I instructed Peter to grab his sandwich and leave the area. Officer Lopez also identified himself as an officer with the Key West Police Department. At this point, Peter became very agitated. He began pacing aggressively and making angry facial expressions. Peter stated that he wanted to take a different route and continued to challenge my lawful order to leave the property.

Peter became increasingly agitated to the point that Officer Lopez stepped in and grabbed Peter's right arm. I immediately grabbed Peter's left arm

Peter responded by tensing his arms and pulling away. Due to Peter's active resistance, we escorted Peter to the ground. Peter initially refused to give me his other arm. I advised Peter that if he did not give me his arm, I would deploy my Taser. Peter then complied. I placed Peter in handcuffs and placed him under arrest. Peter had no visible injuries after being placed under arrest.

While in handcuffs, Peter continued attempting to roll onto his side and tried to stand up.

Officer Lopez requested supervisors to respond to our location. Due to the fact Maples refused to follow instructions and demeanor while attempting to place him into custody. Maples was escorted to the ground. Sergeant Stutz responded shortly after to document the response to resistance. It should be noted Officer Lopez sustained injuries on his fingers which were documented by Sergeant Stutz.

Officers Katy Hansell and Christina arrived on scene and assisted in securing Peter in the back of Officer Hansell's patrol vehicle. During a search incident to arrest, I located a vape battery and cartridge in Peter's pockets. Because the Monroe County Detention Center considers these items contraband, I discarded them. While searching Peter's bag, I located a prescription container for a medical marijuana vape cartridge. I recovered the discarded items and placed them into Key West Police Department property for safekeeping.

Peter was transported to the Monroe County Detention Center. While being escorted from the jail sally port to the intake area, Peter began to tense

up and pull away from Officer Hansel and me. He became aggressive and resisted our attempts to escort him. We had to physically restrain Peter and forcefully move him into the elevator.

It should be noted that Peter has a history of aggressive behavior toward law enforcement officers. Peter was found Guilty/Admit 2/6/2020 (Def Sent/Adj Guilty) KWPD#19-3936. Reference charge Aggravated Asslt-Weapon-W-Deadly Weapon without intent to kill

Peter has a extensive history of previous offenses in City of Key West

My Axon 4567 BWC was activated

Based on my observations of the scene, and Peter Maples' refusal to leave the property after being given a lawful trespass warning, I determined there was probable cause to believe that Peter Maples knowingly and willfully remained in a structure or conveyance after being authorized to leave by a person in lawful control of the property, in violation of F.S.S. 810.08

Based on Peter Maples' actions of knowingly resisting, obstructing, and opposing officers while they were performing their lawful duties, when officers attempted to detain Peter, he physically resisted by pulling his arms away and refusing to provide his hands so he could be placed in handcuffs. Peter continued to tense his body and resist officers' attempts to control him. Inside Monroe County Detention Center, Peter again resisted officers by tensing his body, pulling away from officers, and refusing to walk as directed. Officers had to physically restrain Peter and guide him into the elevator to complete the intake process. I determined there was probable cause to believe Peter Maples violated F.S.S 843.02

SUPERVISOR Stutz, Thomas (3138)	RANK Sergeant	REVIEW DATE 03/09/2026
COMMENTS On March 8, 2026, at approximately 2115 Hours, I responded to 3312 N. Roosevelt Blvd., Publix Liquors, regarding a Response to Resistance Incident. On arrival, I met with Ofc. Jakubowski and Ofc. Lopez who advised the following: Ofc. Jakubowski and FTO Lopez responded to Publix Liquors in reference to a trespasser refusing to leave. Officers arrived on scene and were directed by Publix Manager Trevor Perkins to the subject, later identified as Peter Maples. Maples displayed erratic behavior and Officers observed he was clearly under the influence of alcohol. Officers gathered his information and issued a trespass Warning at the request of management. was given ample opportunity to leave the property but instead became aggressive with Officers. Ofc. Lopez was in plain clothes and identified himself as a KWPD Officer to Maples as his behavior continued to escalate. When it became clear that Maples was not leaving upon request, Ofc. Jakubowski and Ofc. Lopez grabbed his arms to secure him. Maples began tensing and pulling away and was escorted to the ground in a controlled manner. Maples pulled his arms beneath his body in an effort to defeat attempts at handcuffing. Ofc. Jakubowski announced to Maples to release his hands or he would be Tased. Maples then complied and was handcuffed and secured in a patrol vehicle.

I then spoke to Maples. I observed Maples was in an agitated state, he had glassy eyes and a strong odor of alcoholic beverage on his breath and person. I asked Maples if he was injured. Maples stated he was not. I observed no visible injuries to Maples person. Due to his intoxication Maples did not make any sense in his statements and seemed to have no understanding of the situation.

I then spoke to two independent witnesses of the use of force, Publix Managers Trevor Perkins and Marbelly Gonzalez. Both managers advised they had observed Maples acting erratically in the Publix Supermarket being hostile with customers and staff and appearing to try to instigate fights. They were then summoned to Publix Liquors where Maples was refusing to leave and they contacted police. Both Managers stated Maples behavior towards staff and the Officers was aggressive and he did not vacate the property after Officers issued the trespass warning and gave him ample opportunity. Both managers stated the heard Ofc. Lopez announce himself as a Police Officer prior to Ofc. Jakubowski and he attempted to detain Maples. Both managers stated Officers grabbed each of Maples' arms and he began to tense and pull away. Both managers stated that it appeared that in the struggle all of them fell forward to the ground and Maples refused to give up his hands. Both stated Officers gave commands, and the subject released his hands and was handcuffed.

Key West Rescue responded to the scene for an evaluation. Maples refused as he was uninjured. Photographs of minor scrapes suffered by Ofc. Lopez were uploaded to evidence.com.

Later upon watching the BWC video of the Response to Resistance Incident, I noted that Maples not only acted aggressively when advised that remaining on property would lead to arrest but also took a bladed stance and began swing his arms in a manner that would present, he was preparing for a physical fight. Officer acted quickly due to his posturing to take control, and he was ultimately guided to the ground and handcuffed.
