

Commendation

It is with great pride that the City of Key West shall honor the Monroe Association for ReMARCable Citizens for Meritorious Service in the Historic Cemetery for over thirty years.

The M.A.R.C. House provides numerous services such as client training and support that enhances individual abilities to understand daily community routines and learn social, self-care, vocational skills.

The need for landscaping services at the Historic Cemetery presented a good opportunity that was mutually beneficial for the City and the M.A.R.C. House.

In 1982 work for the M.A.R.C. House in the cemetery began with clearing and uncovering graves that had been lost to the overgrowth. Over the course of three decades the M.A.R.C. House services was the stable force in maintaining the cemetery landscaping.

As the needs of the Historic Cemetery have evolved, the excellent service of the M.A.R.C. House is unfortunately no longer required.

It is with great admiration and a heartfelt thanks that close this chapter in the history of the cemetery.

The City of Key West is honored to have an organization of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this Commendation to:

THE MONROE ASSOCIATION FOR REMARCABLE CITIZENS
