Subject: [EXTERNAL] Harry Bethel

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I served with Commissioner Bethel from 1991-2005. Although Harry and I did not always agree on an issue I know that he studied the issues and voted for what he thought was best for his constituents and the city of Key West.

Given his experience on the commission he would not have a learning curve on many of the issues that the city is now facing..

I hope that you give Harry your consideration

Jimmy Weekley

Former Mayor and Commissioner
