Good morning Legion Family,

I am forwarding an e-mail sent to the Post Commander regarding the cell phone tower project. This proposal places the tower on the Legion property and provides a significant income for the Post. Besides the income, there are a number of positive reasons to support the project listed below. We are asking for our members to email vsellers@cityofkeywest-fl.gov with their vote of support.

Thank you
Angie

Angela Kirk

POST 28 ADJUTANT

5610 COLLEGE ROAD
KEY WEST, FL 33040

Hi Pat,

As you know, we have a planning board meeting on Thursday, January 17, at 6 PM. Our item is #11 of 13 on the agenda, so it will be heard toward the end of the meeting. If this meeting is successful, we will have another meeting in February before the City Commission.

Anyone who can attend is most welcome. However, if folks cannot attend, an email works ok too! I spoke with Joe White today. He told me that a woman, I believe Jeff's Wife, serves as your adjutant at the Post. I am hoping the Adjutant could send out an email to your Legion members, asking the members to support the project by reaching out the Planning Department.

Reasons to support the project:

- 1) Improvement of wireless services, north stock island has poor coverage
- 2) North Stock Island / College Road is home to important facilities like the Lower Keys Hospital, FKCC, Gerald Adams, among others
- 3) This area will also benefit all residents of Key Haven
- 4) Sherriff Rick Ramsay said 80% of the 80,000 calls received by his office came via mobile phone (KW Citizen 11.28.18)
- 5) A high level of service supports Public Safety.
- 6) A high level of service supports residents as well as tourists.

Any comments can be sent to Vanessa Sellers at the City of Key West Planning Department

Email Address: vsellers@cityofkeywest-fl.gov

Please don't hesitate with any questions!

rick

Subject: Cell tower

I'm a veteran and permanent resident of the Keys. I go on record supporting the cell tower emplacement on the American Legion property on College road.
This placement helps to improve and serve businesses, residents, and community service groups.
I vote yes on the American Legion location.
