RE: UF Contract No. ITN07TO-135 Laboratory Supplies Extension

Dear Kris:

The University of Florida desires to exercise the optional renewal clause and renew the contract for two additional one year periods, from April 30, 2012 through April 30, 2014 with Fisher Scientific Company LLC as per ITN07TO-135 Laboratory Supplies.

This renewal incorporates the expansion of the Fisher stockroom into the Cancer/Genetics building as well as the exploration of the expansion of the product offerings in the Chemistry Department to include sales to departments outside of Chemistry.

All General and Special Conditions, including any special provisions, which may have been mutually accepted during the term of the contract, will remain in effect during the renewal period.

Questions concerning this renewal option should be directed to me at: ascanio@ufl.edu (352) 392-1331 ext. 214 or James Keller at jameskeller@ufl.edu (352) 392-1331 ext. 225.

If this renewal meets with your approval, please indicate your acceptance, in writing, and return to the UF Purchasing department as soon as possible.

Sincerely,

Amie Scanio Dingle
Purchasing Coordinator II
