City Manager Jim Scholl  
525 Angela Street  
Key West, FL 33040

Cc: Assistant City Manager Mark Finigan

Mr. Scholl,

Per our conversation this afternoon and after a follow-up conversation with Mark Finigan, I am writing to inform you of our intent to add a pick-up location at the Mallory Square Parking lot (see photo attached).

Our intent is to use this location only for the pick-up of passengers aboard ships docked at Mallory Square who have pre-purchased our tour from the cruise line. The concept will be identical to our current practice of picking up on the Mole Pier. It is also the location where other tour companies who pre-sell on the ships conduct their pick-ups.

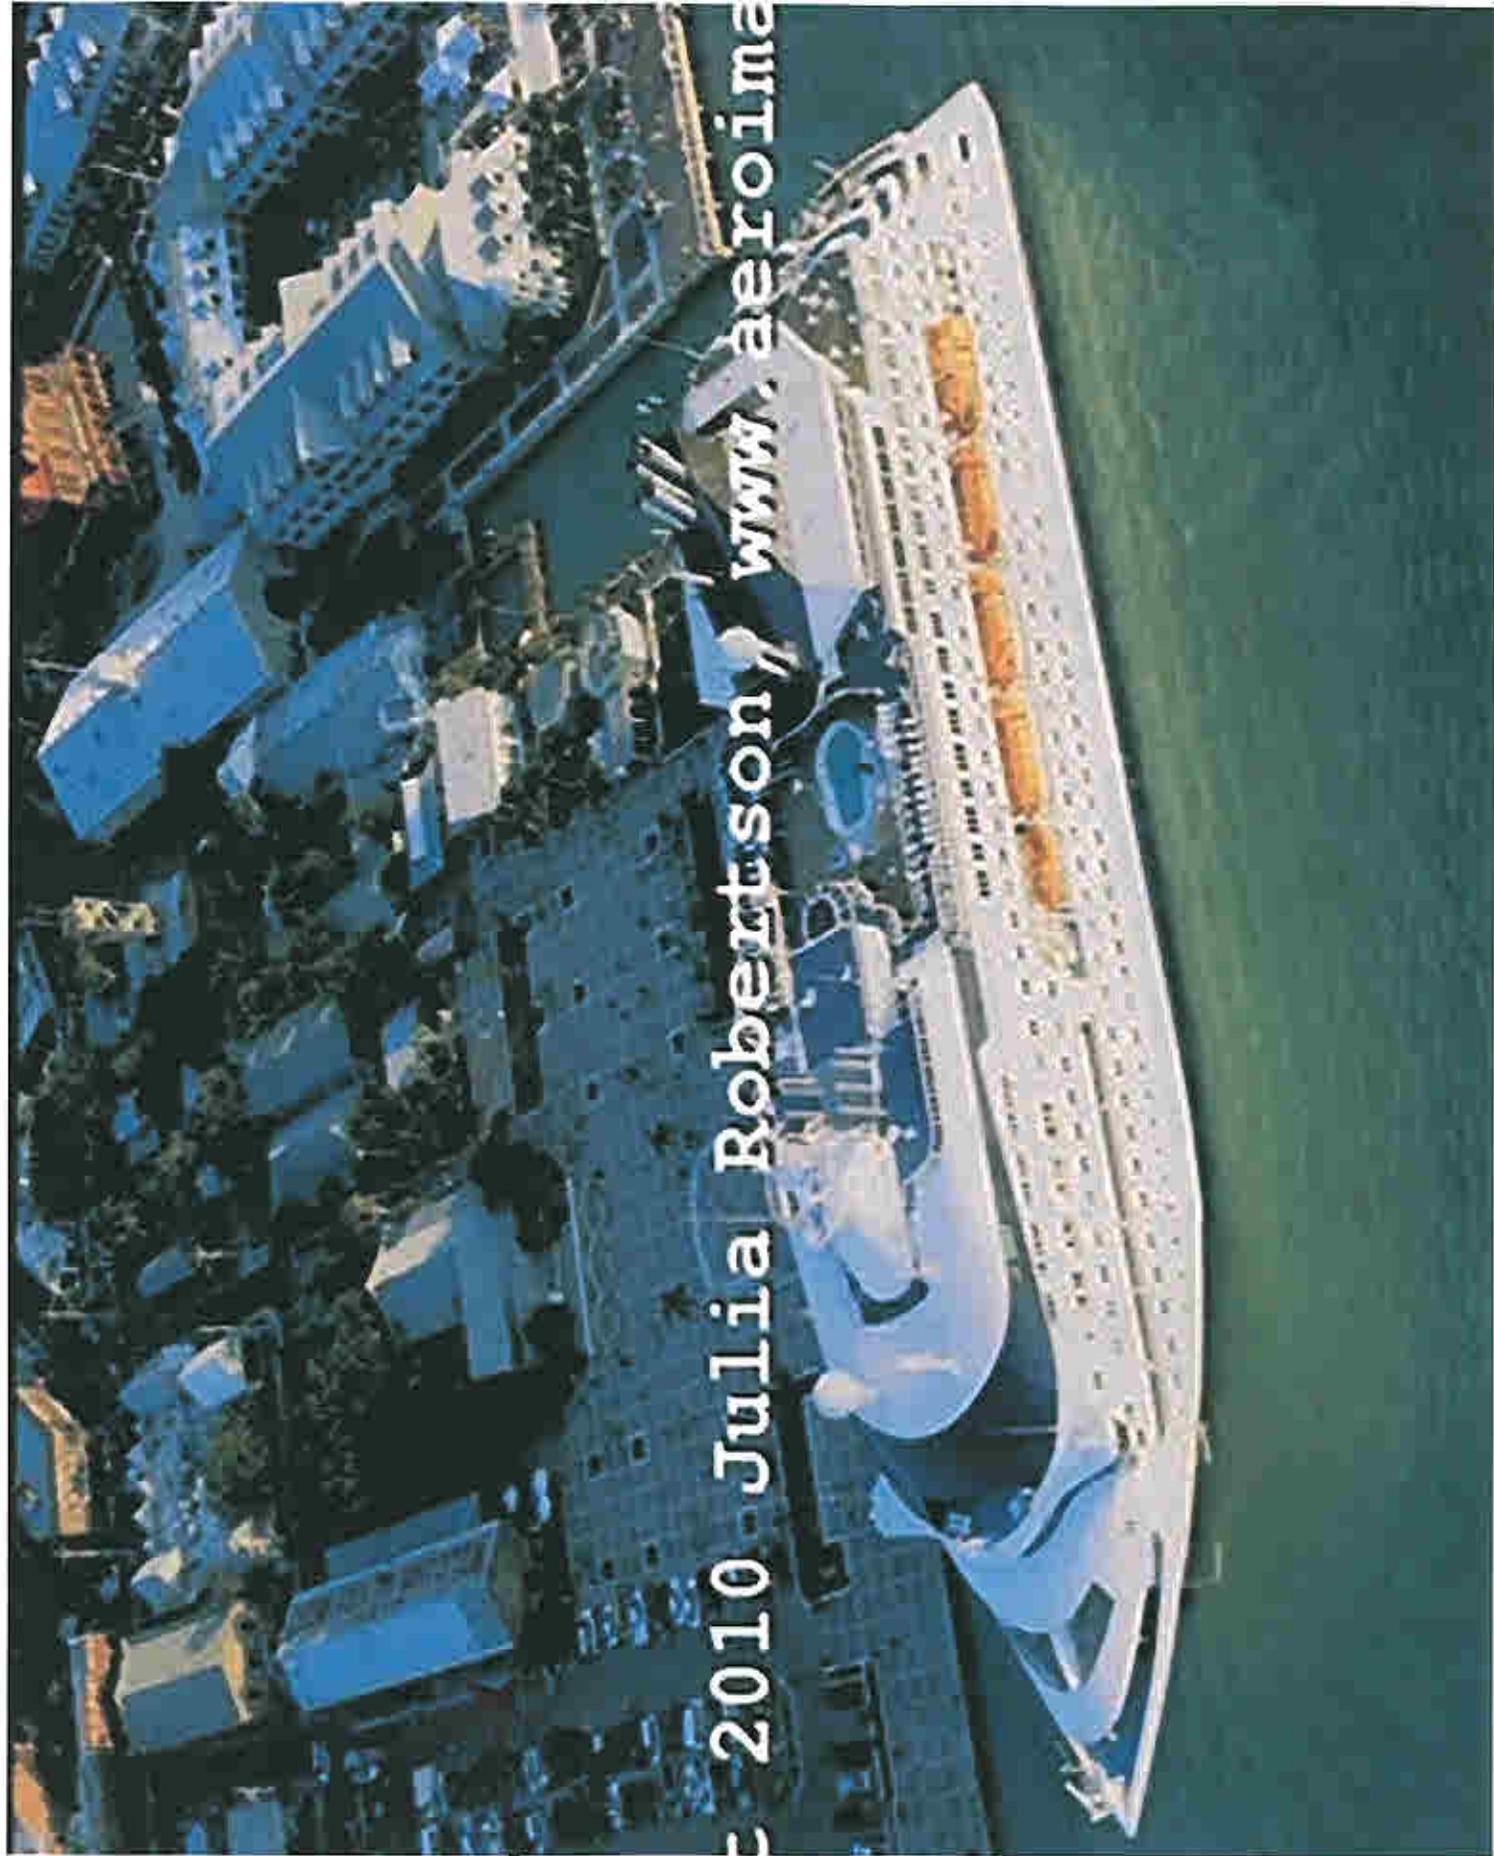

It is our belief that picking up at this location will greatly ease the passengers visit to Key West and will also be a safer alternative than walking large groups through the very uneven brick surfaces on Wall Street and Tift's Alley. It will also eliminate having to stop traffic to cross large groups of people across Front Street.

It is Mr. Finigan's feeling that this must pass the "300 foot radius" test and I understand a mailing must go out to neighbors. As per City ordinance, if a legitimate Health or Safety issue is raised, the City Commission could vote to remove the location, based on those criteria.

Thank you,

A handwritten signature in black ink, appearing to read "Greg Wythe".
