Excerpt from City Code Sec. 26-192. - Unreasonably excessive noise prohibited.

Noise limitations - Within a core commercial district as defined in this article, the maximum dBA and dBC sound levels permitted on any property located therein shall be as follows:

The average measurement taken between ten (10) and twenty (20) seconds shall be no greater than the maximum levels set out below. The measurement shall be taken from the sound source property line, or individual lease boundary in the case of property which has been subdivided by the execution of individual leases, of the noise generating property at a location that is closest to the complainant's property line:

- a. Eighty-five (85) dBA or ninety-four (94) dBC between the hours of 11:00 a.m. and 2:59 a.m.
- b. Seventy-five (75) dBA or eighty-four (84) dBC between the hours of 3:00 a.m. and 10:59 a.m.

In any residential or commercial district as defined in this article, a decibel meter shall be used for a complaint of unreasonable noise made at or within 100 feet of the property line of the sound source. The decibel reading shall be made at the location of the complaint. The investigating officer shall issue a citation for unreasonably excessive noise, unless in his judgment a warning is sufficient to cease the violation. There shall be no more than a total of one warning per offending person or establishment.

Events that expect to exceed decibel levels set for their area must get a Noise Exemption from the City Commission. Noise Exemptions cannot be issued for the same location within 60 days of the last noise exemption approval.

Describe the Potential Noise Sources: \_\_\_\_\_

Parking has no issues. The street is closed. No requests have been made for parking assistance. It is the event organizer's responsibility to maintain the parking within the defined event space. Vehicles associated with the event need to have an official sign from the event organizer placed on dashboard with a local cell phone number that will ring onsite in case we need to contact them.
