Mr. Albert,

Section 1.6 of the City of Key West's bid documents for ITB 14-009 allows for the City to obtain clarification or additional information necessary to evaluate a bid properly. If you could respond to the questions below in a timely manner, it would be greatly appreciated.

1) On page 2, line 6 and 7 of the Residential Collection Services of the Price Form, the monthly totals for line 6 and 7 appear to be calculated in error. Please confirm the totals should be \$33,551.94 for line 6, and \$34,506.67 for line 7. In other words, should lines 6 and 7 be the same as lines 2 and 3 from this form?

2) On the Minimum Qualifications Form starting on Page 22, information relating to Wednesdays appears to be omitted. Can you please provide this information?

Please confirm your receipt of this e-mail, and thank you in anticipation of a timely response,

*Jay Gewin
Utilities Manager
City of Key West
305-809-3902*

To: "Jay Gewin (jgewin@keywestcity.com)" <jgewin@keywestcity.com>

Jay, here are the answers to your questions. Sorry for the confusion.

1) On page 2, line 6 and 7 of the Residential Collection Services of the Price Form, the monthly totals for line 6 and 7 appear to be calculated in error. Please confirm the totals should be \$33,551.94 for line 6, and \$34,506.67 for line 7. In other words, should lines 6 and 7 be the same as lines 2 and 3 from this form? **The answer to this question is YES, lines 6 and 7 should be the same as lines 2 and 3. There was a rounding error in the per unit prices on line 6 and 7. Net impact is \$8.18.**

Recycling is a good thing. Please recycle any printed emails.

To: "Albert, John" <jalbert@wm.com>

Thank you John. On page 22 of the bid documents, the Wednesday line is left blank under "Households/Route" and "Personnel/Route". Can you please complete it?

Thank you,

Jay Gewin
Utilities Manager
City of Key West

MINIMUM QUALIFICATIONS AND REFERENCE FORM (CONTINUED)

Resources

As specified in Section 4.1(l), Bidder shall demonstrate sufficient resources to provide the collection services required for the term of the Contract by supplying a list with the estimated number of routes anticipated to provide Residential Collection Service, the estimated number of homes per route, service vehicles to be used (including type of vehicle, make, model, and year), and personnel needed to service the routes.

Residential Service Option 1: For this option, the City requires the current collection schedule be maintained. Bidders should refer to **Attachment C** for a map depicting the current collection schedule.
