

## Commendation for Dan Probert

For his dedication and service to the citizens of Key West, through his work as a member of the Key West Bight Management District Board & The Port and Transit Advisory Board.

Mr. Probert has been a member of the Bight Board since the board's inception in 1993, having been reappointed five times for a total of 22 years of voluntary service, and sometimes lending his feisty sense of humor to keep meetings lively and enjoyable.

In 1981 Mr. Probert was also appointed to the Port and Transit Advisory Board and continually appointed to this very seat through 2004. He served 23 years as a member of this board.

For over two decades, Mr. Probert has provided a wealth of expert Maritime knowledge to the city. With a keen understanding of city policy & procedures, he has always presented a fair and steady voice in representing members of our community. He has always been thoughtful and careful in advising and making decisions, understanding the long term affects these decisions may have on the future of Key West. He has been an integral part of preserving our island's history.

The City of Key West will miss Mr. Probert, but bid him good luck and hope he will enjoy his retirement from city service. May he find time to come back to the Conch Republic and visit us, as he will be missed in the Southernmost City.

In recognition of this honor, the City of Key West hereby presents  
this Commendation to:

**Dan Probert**

WITNESS our hand and seal of the City of Key West, Florida, this 18th day of February, 2015.
