

**Planning Board Resolution 2014-20**  
**and**  
**Planning Board Resolution 2014-19**

**PLANNING BOARD  
RESOLUTION NUMBER 2014-20**

**A RESOLUTION OF THE CITY OF KEY WEST PLANNING BOARD GRANTING WITH CONDITIONS A VARIANCE TO THE MINIMUM OFF-STREET PARKING REQUIREMENTS IN ORDER TO SUBSTITUTE 200 BICYCLE PARKING SPACES FOR THE DEVELOPMENT OF THE TRUMAN WATERFRONT PARK AMSTER PLAN FOR PROPERTY LOCATED AT THE TRUMAN WATERFRONT PARK (RE # 00001630 001000; AK #9038855; RE# 00001630-001100; AK# 9038866) WITHIN THE HISTORIC RESIDENTIAL COMMERCIAL CORE – TRUMAN WATERFRONT (HRCC-4), HISTORIC NEIGHBORHOOD COMMERCIAL-2 (HNC-2), HISTORIC MEDIUM DENSITY RESIDENTIAL, HISTORIC PUBLIC SERVICE AND SEMI PUBLIC SERVICE (HPS-1) ZONING DISTRICTS PURSUANT TO SECTION 108-574 OF THE LAND DEVELOPMENT REGULATIONS OF THE CODE OF ORDINANCES OF THE CITY OF KEY WEST, FLORIDA; PROVIDING FOR AN EFFECTIVE DATE**

**WHEREAS**, the applicant proposes to develop a park for the city and its users; and

**WHEREAS**, Section 108-574 of the Land Development Regulations (the “LDRs”) of the Code of Ordinances (the “Code”) of the City of Key West (the “City”) provides for the minimum off-street parking requirements for land-use types; and

**WHEREAS**, Section 108-574 of the LDRs allows applicants to request that bicycle parking spaces be allowed to be substituted for vehicular parking spaces at a rate of 4:1 bicycle to vehicles in addition to the bicycle parking spaces required; and

**WHEREAS** Section 108-574 stipulates that the criteria to be applied is found in Code Section 90-395 with the exception of the hardship criteria that is not applicable; and

**WHEREAS**, Code Section 90-391 allows applicants to request variances to the Land

Chairman

Planning Director

Development Regulations through the Planning Board; and

**WHEREAS**, the applicant requests to substitute 200 additional bicycle parking spaces for the 50 vehicular parking spaces generated by the Proposed Development; and

**WHEREAS**, this matter came before the Planning Board at a duly noticed public hearing on March 20, 2014; and

**WHEREAS**, the Planning Board finds that special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other land, structures or buildings in the same district; and

**WHEREAS**, the Planning Board finds that the special conditions do not result from the action or negligence of the applicant; and

**WHEREAS**, the Planning Board finds that granting the variances requested will not confer upon the applicant any special privileges denied by the land development regulations to other lands, buildings or structures in the same zoning district; and

**WHEREAS**, the Planning Board finds that the variances granted are the minimum variances that will make possible the reasonable use of the land, building or structure; and

**WHEREAS**, the Planning Board finds that the granting of the variances will be in harmony with the general intent and purpose of the land development regulations and that such variances will not be injurious to the area involved or otherwise detrimental to the public interest or welfare; and

**WHEREAS**, the Planning Board finds that no nonconforming use of neighboring lands, structures, or buildings in the same district, and no permitted use of lands, structures or buildings in other districts are grounds for the issuance of the requested variances; and

  
\_\_\_\_\_  
Chairman

  
\_\_\_\_\_  
Planning Director

**WHEREAS**, the Planning Board finds that the applicant has demonstrated a “good neighbor policy” by contacting or attempting to contact all noticed property owners who have objected to the variance application, and by addressing the objections expressed by these neighbors.

**NOW, THEREFORE, BE IT RESOLVED** by the Planning Board of the City of Key West, Florida:

**Section 1.** That the above recitals are incorporated by reference as if fully set forth herein.

**Section 2.** An approval by Resolution of the Key West Planning Board for a variance to substitute 200 additional bicycle parking spaces for the required 50 vehicular parking spaces generated by the Proposed Development according to the attached plans dated March 4, 2014 by for the Truman Waterfront Park Master Plan:

1. That the Major Development Plan and Conditional Use for the Truman Waterfront Park Master Plan are approved.

**Section 3.** That the timeline for completing the development for which this variance is a part shall be extended as part of the Major Development Plan. It is a condition of these variances that full, complete and final application for all conditions of this approval for any use and occupancy for which these variances are wholly or partly necessary, shall be submitted in their entirety in conjunction with the development plan.

**Section 4.** The failure to fully and completely apply the conditions of approval for permits for use and occupancy pursuant to these variances in accordance with the terms of the approval as described in Section 3 hereof, shall immediately operate to terminate these variances,

  
\_\_\_\_\_  
  
\_\_\_\_\_  
Chairman  
Planning Director

which variances shall be of no force or effect.

**Section 5.** These variances do not constitute a finding as to ownership or right to possession of the property, and assumes, without finding, the correctness of applicant's assertion of legal authority respecting the property.

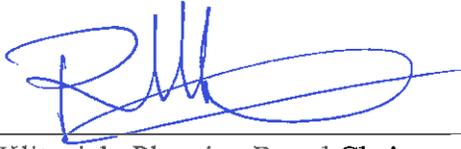

**Section 6.** This Resolution shall go into effect immediately upon its passage and adoption and authentication by the signatures of the presiding officer and the Clerk of the Commission.

**Section 7.** This Resolution is subject to appeal periods as provided by the City of Key West Code of Ordinances (including the Land Development Regulations). After the City appeal period has expired, this permit or development order will be rendered to the Florida Department of Economic Opportunity. Pursuant to Chapter 73C-44, F.A.C., this permit or development order is not effective for forty five (45) days after it has been properly rendered to the DEO with all exhibits and applications attached to or incorporated by reference in this approval; that within the forty five (45) day review period, the DEO can appeal the permit or development order to the Florida Land and Water Adjudicatory Commission; and that such an appeal stays the effectiveness of the permit until the appeal is resolved by agreement or order.

Read and passed on first reading at a regularly scheduled meeting held this 20th day of March, 2014.

**PLANNING BOARD  
RESOLUTION NUMBER 2014-19**

**APPROVAL FOR A MAJOR DEVELOPMENT PLAN AND  
CONDITIONAL USE FOR THE DEVELOPMENT OF THE  
TRUMAN WATERFRONT PARCEL (RE# 00001630-001000,  
AK 9038855; RE# 00001630-001100, AK# 9038866) LOCATED  
IN THE HISTORIC PUBLIC SERVICE AND SEMIPUBLIC  
SERVICE -1 (HPS-1), HISTORIC MEDIUM DENSITY  
RESIDENTIAL (HMDR), HISTORIC RESIDENTIAL  
COMMERCIAL CORE - 4 (HRCC-4) AND THE HISTORIC  
NEIGHBORHOOD COMMERCIAL - 2 (HNC-2) ZONING  
DISTRICTS PURSUANT TO SECTION 108-91(A.) (2.) B. AND  
C. AND 122-61 OF THE LAND DEVELOPMENT  
REGULATIONS OF THE CODE OF ORDINANCES OF THE  
CITY OF KEY WEST, FLORIDA**

WHEREAS, the subject property is located in the Historic Public Service and Semipublic service – Truman Waterfront (HPS-1), the HMDR, the HRCC-4 and the HNC-2 zoning district; and

WHEREAS, Section 108-91 of the Code of Ordinances provides that within the Historic District a Major Development Plan is required for addition or reconstruction of equal to or greater than 2,500 s.f of gross floor area and the addition of outdoor activity or similar activities equal or greater than 5,000 square feet; and

WHEREAS, the applicant proposed a Master Plan with associated Draft Landscape Plan and Conceptual Drainage Plan to develop the Truman Waterfront Park Master Plan; and

  
\_\_\_\_\_  
  
\_\_\_\_\_  
Chairman  
Planning Director

**WHEREAS**, Section 108-196(a) requires the Planning Board to review and approve, approve with conditions, or deny the proposed Major Development Plan; and

**WHEREAS**, this matter came before the Planning Board at a duly noticed public hearing on March 20, 2014; and

**WHEREAS**, the granting of a Major Development Plan application is consistent with the criteria of the Code of Ordinances; and

**WHEREAS**, the granting of a Major Development application is in harmony with the general purpose and intent of the Land Development Regulations, and will not be injurious to the neighborhood, or otherwise detrimental to the public welfare; and

**NOW, THEREFORE, BE IT RESOLVED** by the Planning Board of the City of Key West, Florida:

**Section 1.** That the above recitals are incorporated by reference as if fully set forth herein.

**Section 2.** That a Master Plan for the development of the Truman Waterfront Park (RE# 00001630-001000, AK 9038855; RE# 00001630-001100, AK# 9038866, located in the HPS-1, HMDR, HRCC-4 and HNC-2 zoning districts, is hereby approved pursuant to Section 108-91 of the

 Chairman

 Planning Director

Land Development Regulations of the Code of Ordinances of the City of Key West, Florida), as shown in the attached plans dated March 4, 2014 with the following conditions of approval:

1. That the associated bicycle substitution variance is approved by the Planning Board.
2. Navy:
  - a. The existing planned shared pedestrian/auto pathway making use of the existing East Quay shall be modified to eliminate automobile access and a drivable access way from the existing Eaton Street easement area southward to and through the parking lot north of Building 103 shall be implemented separately. This drivable access way will be placed to immediately border the Park boundary with the Truman Annex residential property. The easement dedicated to the Navy from Eaton Street to the Quay will be eliminated, and be replaced with an easement for the new access way. This redefined access way will provide the assured and agreed upon vehicular access way for the Navy from the area of the Eaton Street easement southward to the Southard Street extension into the park.
  - b. The City will continue to coordinate with the Navy during cruise ship operations, including, but not limited to, pedestrian, trolley, bus, Chandler support, and train staging, etc., to ensure that there is no impact to the military mission.
  - c. The City will continue discussions with the Navy regarding the option of a joint use Entrance Control Point (ECP) structure and any proposed structures in the vicinity of the ECP will be coordinated with the Navy to ensure clear line of site and compliance

 Chairman

 Planning Director

with Anti-Terrorism Force Protection (ATFP) standoffs and security requirements.

- d. A standard operating agreement to define coordination and planning solutions to move military vehicles and equipment through the park complex during urgent or special events shall be concluded before completion of phase 1 construction (road realignment plan) of the Park. This can be assured as a condition of the Major Development Plan approval through a Memorandum of Agreement.
- e. The easements will be reviewed, updated and/or eliminated through coordination with the Navy as part of the Phase 1 construction documents within 180 days of development plan adoption. This approach will ensure the accuracy of the associated surveys and thus the easement documentation.
- f. In the event that City and Navy have coordinated the use of City property for special events, the coordination efforts will be done to ensure that military operations are not impacted.
- g. Once the lighting plan has been finalized, the City will conduct an informal lighting study with NAS Key West to determine potential impacts to the military mission. Additionally, the City will coordinate the potential impacts of the proposed lighting on the Navigation Range Markers with the Navy Port operations and local Harbor Pilots. The proposed lighting plans will meet Dark Sky standards that require fixtures to focus light on the ground and not spill off the site.

 Chairman  
 Planning Director

- h. After plan adoption the LRA will transmit the development plan for final Navy review subject to the 2002 Quit Claim Deed.
3. An easement is required to be executed with Keys Energy for access to electric poles along Navy boundary on the southern edge of the property.
  4. For all elevated structures, areas between the bottom floor of the structure and grade must be buffered by lattice or similar materials approved by the Historic Preservation Planner and fully landscaped.
  5. Building construction on the site including the development of the amphitheater, community center and building 103 shall at a minimum be LEED certified consistent with Comprehensive Plan Policy 1-1.1.6 that requires a green building certification of the highest standard.
  6. That rainwater be captured from all building roof surfaces into adequate sized containers and redistributed for onsite irrigation purposes using ARCSA standards.
  7. That if permanent irrigation system is required that the system be built to ARCSA standards.
  8. Lighting shall be designed to “Dark Sky” lighting standards and shall meet energy efficiency standards established by an accepted third party environmental standard consistent with F.S Chapter 255.2575(2).
  9. Tree Commission approval is required for the overall Landscape Plan in addition to each phase of the removal/relocation and replacement of vegetation based upon the approved Landscape Plan.

  
\_\_\_\_\_  
Chairman

  
\_\_\_\_\_  
Planning Director

10. The complete set of plans dated March 4, 2014 are hereby adopted and incorporated herein.
11. That the proposed two way traffic direction on Angela Street be coordinated with the adopted Truman Waterfront Connectivity Plan based on the attached Memo from the Engineering Division dated March 21, 2014.
12. Emergency call boxes are distributed throughout the site in coordination with the KWPD.
13. Fire hydrant locations are coordinated with KWFD.
14. Two electric vehicle charging stations are installed at three points within the park.
15. The lease for the restaurant for Building 103 shall contain the following provisions:
  - a) That the business establish and maintain a marketing plan on order to reduce vehicular trips to the venue promoting multimodal accessibility to the site via website, reservations, etc.
  - b) That the lessee obtain a Green Business Certification.
  - c) That the business separate the collection of food waste to be donated for compost purposes at the adjacent Community Garden or for onsite reuse.
  - d) That the business recycle all materials collected by waste management.
  - e) Lessee must obtain a Conditional Approval Permit, subject to annual inspection.

**Section 3.** That the timeline for expiration of this Development Plan is approved for phasing for a maximum of 10 years. Full, complete, and final application for all permits required for which this resolution is wholly or partly necessary, shall be submitted in its entirety within 10 years after

the date hereof.

**Section 4.** This Major Development Plan application approval by the Planning Board does not constitute a finding as to ownership or right to possession of the property, and assumes, without finding, the correctness of the applicant's assertion of legal authority respecting the property.

**Section 5.** This resolution shall go into effect immediately upon its passage and adoption and authentication by the signatures of the presiding officer and the Clerk of the Commission.

**Section 6.** This resolution is subject to appeal periods as provided by the City of Key West Code of Ordinances (including the Land Development Regulations). After the City appeal period has expired, this permit or development order will be rendered to the Florida Department of Community Affairs. Pursuant to Chapter 9J-1, F.A.C., this permit or development order is not effective for forty five (45) days after it has been properly rendered to the DCA with all exhibits and applications attached to or incorporated by reference in this approval; that within the forty five (45) day review period the DCA can appeal the permit or development order to the Florida Land and Water Adjudicatory Commission; and that such an appeal stays the effectiveness of the permit until the appeal is resolved by agreement or order.

**DATE:** March 21, 2014

**SUBJECT: Truman Waterfront  
Conditional Use Application**

Truman Waterfront Park Development Plan, dated March 3, 2014, has been reviewed for the Conditional Use Application. Inconsistencies regarding the proposed Angela Street park entrance and existing conditions within the right-of-way shall be noted for the record, and should be addressed prior to site development.

Please coordinate the Angela Street park entrance, shown as two-way traffic, with the Bahama Village/Truman Waterfront Connectivity Project, GN-0901. (Plan sheets for that section of Angela Street are enclosed.)

A summary of existing conditions within the Angela Street right-of-way are as follows:

- 1) Angela Street right-of-way width is 30 feet.
- 2) The length of Angela Street from the Utility Board property to Emma Street is approximately 150 feet. This section of Angela Street provides access to one residential property, and is a designated two-way driveway aisle. The right-of-way is not utilized for street parking.
- 3) Keys Energy Services utility poles are located along the north side and the south side of Angela Street. Distances between the poles, measuring across the street, are 19 feet ranging up to 22 feet.

Based on existing conditions and a six-foot roadside clear zone width, a maximum travel lane width of 18 feet could possibly be attained. Traffic lanes should be 12 feet in width, but not less than 10 feet in width.<sup>1</sup> 18-foot travel lane width is insufficient for two-way traffic.
