When we arrived there was work (interior/exterior renovations) being performed on the house. The contractor present was Wayne Garcia. Raj Ramsingh informed him that some of the work that was being done at the time of our inspection was over the scope of what was currently approved. Raj Ramsingh informed Wayne that he would need to submit some plans for approval and also obtain approval from HARC for some of the work. Wayne understood and said he would work on it.</p> <p>Today 9/14/2023 I was directed by CBO Ramsingh to place a stop work order on the property. Raj informed me that Wayne Garcia was aware that it was being placed and was already working towards compliance. A notice of violation will be sent to the homeowner and contractor.</p>
