Species: 50%

Condition: 20%

Value: 43.3%

***Urban Forestry would consider a replacement requirement in lieu of inches.**

NOTES: This tree is not restricted by a planter but is on a ROW. The tree is almost completely dead. Some branches have grown into communication lines and home electrical service. Urban Forestry would consider planting a single tree in the same place. The adjacent homeowner would also like to see the tree replaced. Pigeon Plum, black ironwood, and Buttonwood are examples of suitable trees for replacement.
