### EXECUTIVE SUMMARY

**TO:** Bob Vitas, City Manager  
E. David Fernandez, Asst. City Manager - Operations

**FROM:** Terrence Justice, Engineering

**DATE:** October 24, 2012

**RE:** **Approval of an Amendment to Work Order E-12 Ports from CH2M Hill in the Amount of \$5,002.00 for Engineering Services for Construction Phase Assistance for Mole Pier Electrical Upgrades Project OM1202.**

**ACTION STATEMENT:**

This resolution will approve an Amendment to Work Order E-12 Ports from CH2M Hill, increasing the budget amount by \$5,002.00 for engineering services construction phase assistance on Project OM1202: Navy Mole Electrical Distribution System Upgrades.

The agreement will be executed pursuant to F.S. 287.055 (CCNA), City Code 2-841, and the City's contract with CH2M Hill approved by Resolution # 07-331 and extended and amended through Resolution 10-287.

**BACKGROUND:**

In lieu of rent payments to the Navy for the use of the Mole pier, the CITY has agreed to perform certain In-Kind Projects. Work Order E-12-Ports Mole Pier Floating Dock and Fueling Station was requested by the Navy as indicated in the attached In-Kind request letter. The Work Order was awarded to CH2M Hill by signature of then City Manager Jim Scholl in the amount of \$19,940.00 on 18 June 2012. The complexity of the project and technical problems encountered on Project OM1202 Mole Pier Electrical Upgrades necessitated additional support and oversight by CH2M Hill, above and beyond the scope presented in the original Work Order.

The proposed cost for this project submitted by CH2M Hill, including this amendment, is within the Not-to-Exceed budget as specified by the Navy's In-Kind request letter.

## **OPTIONS:**

1. The City Commission can approve the Amendment to Work Order E-12 Ports, previously awarded to CH2M Hill.
