RE: Southern Police Institute – Command Officers Development Course

Action: Send Lieutenant Bradley Lariz to the Southern Police Institute (SPI) – 90th Command Officers Development Course (CODC) held in Fort Myers, Florida, March 7, 2022 – July 22, 2022.

Background: The SPI-CODC is a comprehensive course of study for those law enforcement individuals desiring to advance their management careers. This would include any personnel an agency desires to develop into quality senior managers. Personnel already serving in senior management positions as well as first level supervisors who the agency foresees advancing to the next managerial level would benefit most from the course content offered. The SPI-CODC is conveniently divided into 5 two-week sessions to facilitate senior command staff attending the course with minimum disruption of assigned duties related to their current assignments. In 2013, Captain JR Torres and I attended and graduated from the 67th SPI-CODC. In 2016, Lieutenant Joseph Tripp and Lieutenant Areaka Jewell (Retired) attended and graduated from the 75th SPI-CODC. In 2019, Lieutenant Mathew Haley attended and graduated from the 84th SPI-CODC. In 2021, Lieutenant Jason Castillo attended and graduated from the 89th SPI-CODC.

Participants who successfully complete this course of study will be able to:

- Assist in developing the strategic direction of an organization, including the mission, values, and goals.
- Enhance internal communications within the organization.
- Develop alternative solutions to specific problems.
- Prepare a formal staff study.
- Plan, implement and evaluate focused policing strategies.
- Develop rules, regulations, policies and procedures to meet and comply with the law and accreditation standards.
