Hi Raul,

It's that time again for us to purchase police vehicles and I wanted to check with you to see if Duncan was interested in submitting quotes this year.

We are buying 9 Ford Interceptor Utility SUV's with all the police stuff on/in them and 2 Ford F-250 4WD diesels with emergency police lighting and equipment.

I can forward the specs if you like or just send me an e-mail declining to quote this year like in years past.

Thank you and I hope we can do something on these this year!
