Tropical Retreat Near Duval Street 810 Terry Lane

Some Instructions

The 46 inch Samsung TV in the living room has a high definition converter. The HD channels start at 400. If you are having trouble figuring out the remote, you can call Comcast, 305-292-8376, and they will walk you through it.

The land-line phone number is 305-509-7110. Long distance within the USA is included.

There is a modem & wireless router in the 1st floor bedroom closet. The password for the WI-FI is "VICTORYK" (case sensitive). There is also an HP printer, cable, and a driver disk there.

Plastic glasses for the pool are in the cabinets to the left of the oven. Please do not wash them in the dishwasher as they will cloud up.

Coolers for beach are in the closet under stairs.

If you notice any running water, such as toilets continuing to run, please call me. Water is very expensive to waste in the Keys.

Dee Dee or Eddie Ruiz do periodic watering/trimming of the foliage. You may see them around periodically. Dee Dee Ruiz is available for optional daily or weekly house cleaning.

Dee Dee also offers concierge services and can hook you up with local tours, sightseeing, and boating, and you can arrange to have food and liquor items stocked for your arrival. Dee Dee's cell number is 305-797-6412.

Pool maintenance is done by Dan the Pool Man on Wednesdays, and is something you normally do not need to worry about. If there is a storm, you may want to clear the skimmer of leaves (right side of pool looking back), and scoop out any leaves in the pool. You will see a net on the patio and a broom. If you see something else that concerns you, please call Eddie locally 305-797-0637, or me.

For weekly bike rentals, Eaton Bikes will give you a 20% discount off a normal \$55 weekly rental (see flyer in basket) and will deliver and pick up for free 305-294-8188. Reference 810 Terry Ln/Bob Walsh to get the discount.

On the entry porch, right side post, there is a combo pad with a key in it. If you use that key, **please leave it in that box afterwards.** Please leave the keys the spare keys on the kitchen counter when you leave.
