**SUPPORT BOAT MAP**

**EXHIBIT C2**

-  Pace Boat
-  Turn/ Check Boat
-  Rescue Boat
-  Course Marshal
-  Patrol Boat
-  Tow Boat & Press

**RESCUE BOAT** - Boats identified as rescue boats are staffed with RWO trained divers and medical staff to assist in case of incident.

**COURSE MARSHAL BOAT** - Two course marshal boats set and manage the race course and manage other on course boats.

**PACE BOAT**- Three boats bring boats from inner basin to milling circle and they are responsible for starting various heats.

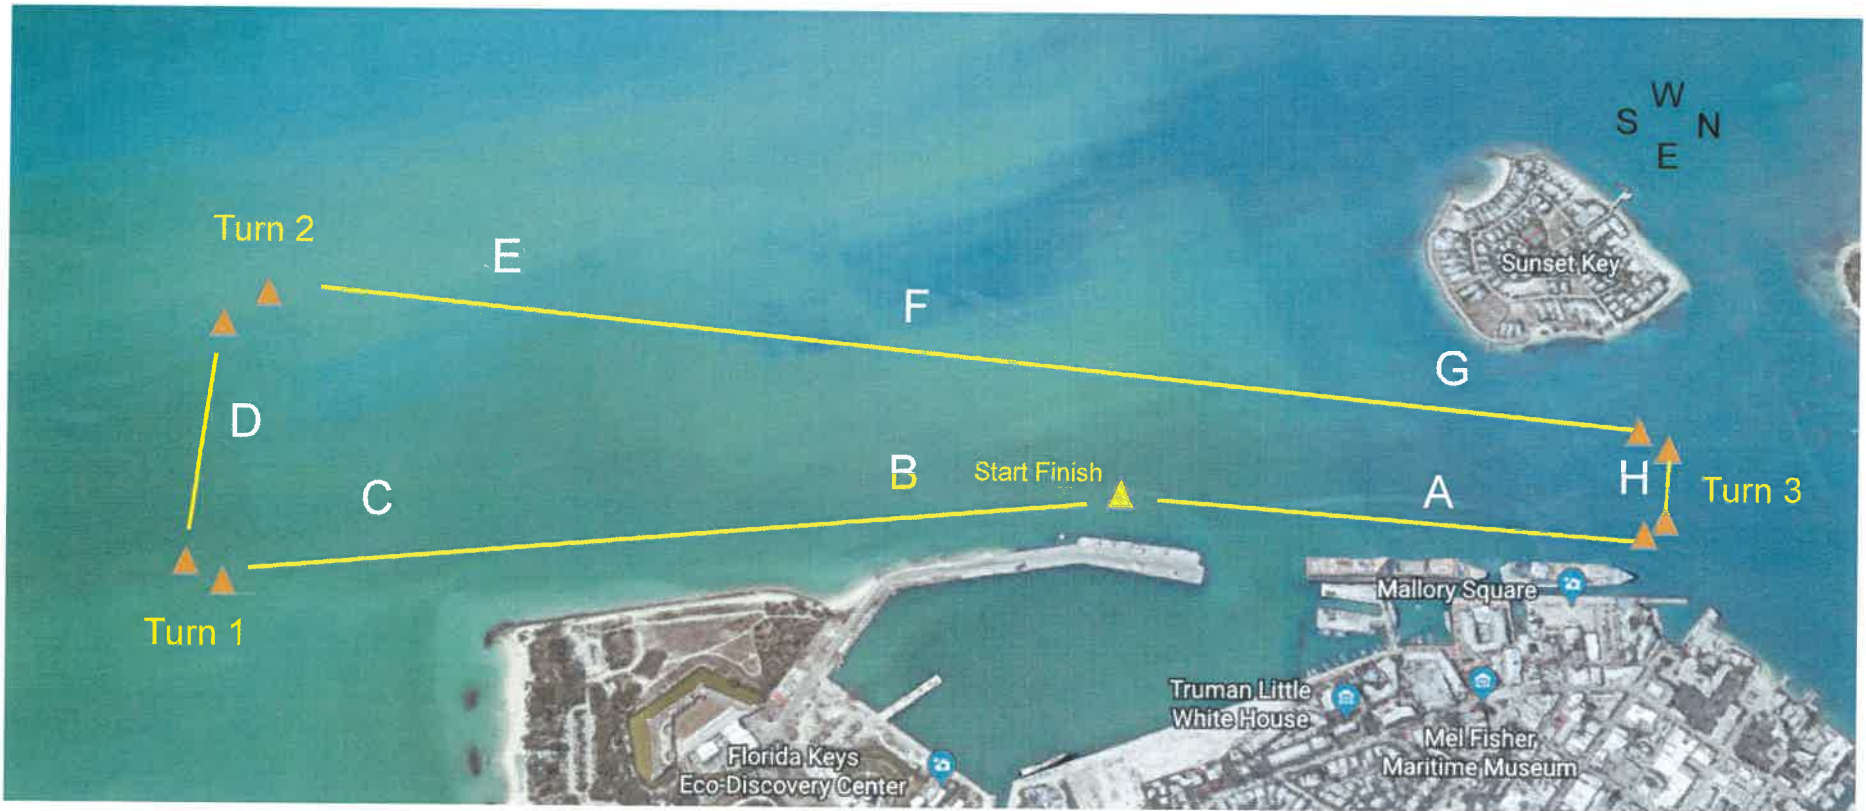

**TURN / CHECK BOAT** - Boats in each turn are a visual landmark for turns, they staff event scorers, and manatee and turtle observers.

**TOW BOATS** - Tow boats assist if a boat becomes disabled or broken down and takes them to safe place on the race course.

**PATROL BOAT** - These boats manage a specific zone area to ensure spectators do not infringe on the race course.

RWO Offshore World Championship  
**ZONE MAP**

**EXHIBIT C3**

ZONE MAP - Zone letters designate areas of the race course so all support, safety, team and personnel can quickly identify which particular area of the race course is in question. The mnemonic memory device to the right helps with memorizing the location of zones.

**All Boats Cruise Down To Turn One**
