Will you prepare a resolution in support of this request for the June 3rd commission meeting.

Thanks

Jimmy

Commissioner Weekley,

It appears that I failed to actually send you this email.

I wondered why I had not heard anything and now I know.

In any case, I drafted a resolution requesting the City Commission to waive the anticipated fees using a similar resolution from a prior meeting.

Please let me know what I need to do next.

Folks,

The good news email from the City Planning staff was sitting in my junk mail box.

I am forwarding to you my email to Commissioner Weekley with the letter and draft resolution.

On to the next step. Please share any input you have.

Commissioner Weekley,

Attached is the Planning Department letter re the 12th unit at our affordable apartment complex at 716 Eisenhower Drive.

Habitat and the Key West Housing Authority are grateful and pleased that this is their finding.

As we talked about, the back fee for a 12th unit has been calculated. That total is \$14,208.17. I appreciate your willingness to sponsor an agenda item for the City Commission to consider a waiver and or a reduction in this fee.

I have attached a draft resolution seeking a waiver for your review.

Please let me know what else I can do or provide to move this onto the next Commission agenda for their consideration.

Thank you for your support,
