HISTORY: The City of Key West entered into submerged land leases in September of 2014 in accordance with the procedural changes authorized by the State of Florida for the City owned submerged land. The leases are now expiring and the existing tenants may renew the leases at the proposed rental rate, as follows:

Premises: 711-717 Eisenhower submerged lands
Containing approximately 15,740 square feet

Term: Five (5) years from September 1, 2019, the effective date of this lease.

Use: The Lessee is hereby authorized to operate a commercial docking facility with rental of wet slips, rental of recreational pleasure craft, loading/offloading passengers for charter/tour boats, to be used exclusively in conjunction with the upland use, with fueling facilities

Lease Fees: The Lessee hereby agrees to pay to the Lessor an annual lease fee rate of \$.35 per square foot plus sales tax, if applicable, on a monthly basis, as follows:

Monthly Fee	\$459.08
Sales Tax	\$33.05
Total	\$492.14

Increases: The annual fee for the remaining years of this lease shall be increased annually by .10 per square foot.

FINANCIAL: All revenues collected from the use of the submerged land in this deed will be placed back into water related activities for the general public.

CONCLUSION: There is no change of use and the rate reflects gradual increases to begin to achieve the market value of the use of the submerged land at this location. Staff recommends approval of the proposed lease renewal.
