CITY MANAGER

April 3, 2017

Dear Mr. Jim Scholl:

My name is Nancy Quast and I currently own Key West Vending License #16-000000923. Unfortunately, due to hardships beyond my control, I am forced to transfer the license to another.

I received this license upon the death of my husband, David Einhorn. He passed away in January of 2016. At the same time, my father had surgery and was in a physical rehabilitation facility for months. He now requires constant assistance, and I need to live close to him in central Florida to help. In addition, I have several health problems of my own that require me to be close to my doctors in the Orlando area. At this time, there is very little possibility that I can use the License for its intended purpose.

I have arranged to transfer the License to Chris Sheridan, who lives in Key West and can put the license to its proper use. I would appreciate any help that the city council can give.

Thank you,

Nancy Quast
