Good evening,

I have received your comments and will forward to the City Commission.

Thank you,
Cheri Smith
City Clerk

There are several self-storage buildings already existing in Key West; two are located in the immediate vicinity of the proposed site. One is a few blocks away on North Roosevelt, the other also a few blocks away between 2nd and 3rd Streets on Staples Avenue. Therefore, another large self-storage facility is redundant and better use could be made of this prominent site. Respectfully, Jane Dawkins
