-- Leon Albert Henderson Arrest Narrative:

On Friday September 15, 2023, at approximately 7:50 PM, I, Ofc. K. Bouvier was on duty in the 3200 Block of Flagler Ave. monitoring traffic.

While on duty this evening I was in a marked patrol car, wearing my KWPD issued Class B Uniform.

While monitoring traffic I heard the audible tone on my KWPD issued STALKER Radar increase, while at the same time, I observed a black Jeep SUV traveling west on Flagler Ave. on the inside lane. The black Jeep SUV was pulling ahead of the other traffic traveling in the same direction. The speed limit is 30 Miles Per Hour in the 3200 block of Flagler Ave. and the black Jeep SUV was detected traveling 45 Miles Per Hour.

I initiated a traffic stop on the vehicle near the intersection of Flagler Ave. and Kennedy Blvd. The Jeep was bearing North Carolina tag KKB2967. As I exited the patrol car and began to approach the Jeep, the driver of the Jeep opened the door and began to exit the vehicle. I instructed the driver to get back in the car several times before I reached the driver and the driver refused to get back in the vehicle, saying "No, no, no, no." The driver then stood up outside of the vehicle and said, "I am tired of this."

The driver was later identified by his Florida driver license as LEON ALBERT HENDERSON, DOB 01/19/1984.

I instructed Mr. Henderson to get back in the car, and Mr. Henderson failed to comply. While standing outside of the car Mr. Henderson reached into the car. Mr. Henderson was positioned in such a was that I was unable to see his hands or what he was reaching for. It was at this point I asked for another unit to respond to the traffic stop.

Mr. Henderson exited the vehicle again and asked why I stopped him; I informed Mr. Henderson I pulled him over for speeding.

Mr. Henderson sat back in the car, however, due to his unusual behavior and level of agitation, I decided it would be safer for Mr. Henderson and myself to remove him from the vehicle and detain him for the duration of the traffic stop.

Mr. Henderson refused to comply with my instruction to exit the vehicle and quickly reached for and opened the glovebox, increasing my level of concern for my safety.

Mr. Henderson eventually exited the vehicle, and I took control of his left hand and instructed him to give me his right hand and he refused.

I instructed Mr. Henderson no less than 5 times to place his hands behind his back and he refused each time. I warned Mr. Henderson that if he did not comply with my instructions that I would tase him. Mr. Henderson still refused to give me his right hand and began to tense and pull his left arm away from me in an attempt to defeat my efforts to detain him.

I drew my taser from its holster, turned it on and placed it flush against the center of Mr. Henderson's back. I instructed Mr. Henderson 4 more times to place his hands behind his back. Mr. Henderson continued to refuse to place his hands behind his back while still tensing his left arm and pulling away from me. At the same time Mr. Henderson was refusing to place his hand behind his back and attempting to pull away from me, he began to walk

toward the open car door.

I pressed the drive stun button on the taser and delivered a shock to Mr. Henderson approximately 5 seconds long. As a result of the drive stun Mr. Henderson went to his knees and I was able to get his other hand to place him into handcuffs.

As a result of Mr. Henderson's actions, I arrested him for violation of Florida Statute 843.02- RESISTING WITHOUT VIOLENCE

Mr. Henderson was transported to The Monroe County Detention Center, where he was turned over to detention staff without incident.

Mr. Henderson was issued a Uniform Traffic Citation for the traffic violation and his vehicle was towed from the scene.

My KWPD issued Body-Cam and In-Car Camera System were activated during this call.
