Hi Keri,

I wanted to let you know that I won't be able to attend today's Bight Board meeting, but I'd like my support for the When & If to be on the record.

I sincerely support granting dockage to this historic schooner. The When & If isn't just another vessel — it's an attraction in its own right, and having unique, heritage-rich boats on the Bight strengthens the experience for visitors and benefits all of our local businesses.

I truly hope Seth Salzmann is granted the opportunity to bring this beautiful piece of history to the Historic Seaport.

Thank you for passing along my comments.
