Re: 1210 Washington Street, Key West, Fl.
Variance for 8' Fence

Chief Building Official:

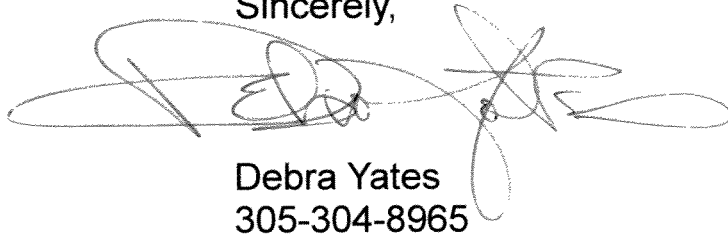

I am the owner of property located at 1205 Von Phister Street, Key West, Florida. Mrs. Janelle H. Clisby owns property located at 1210 Washington Street, which shares a rear property boundary line with my property.

Mrs. Clisby's representative, namely, Mr. Mark D. Smith, has discussed with me her plan to seek City approval to replace the existing eight (8") foot between our properties with a new eight (8") foot fence of the type and design that exist between my property and 1212 Washington Street. In 2006, I approved of the 1212 Washington fence on our common boundary and I again approve of this new proposed fence along my remaining boundary with the 1210 Washington property.

Please be advised that I am in complete agreement with Mrs. Clisby's plans, and that I support her applications for HARC approval and a Variance to construct a new fence between our properties as noted herein.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Debra Yates

Re: 1210 Washington Street, Key West, Fl.
Variance for 8' Fence

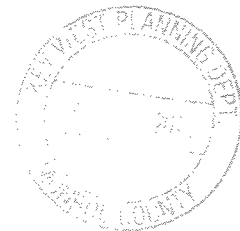

Chief Building Official:

I am, and have been, the Pastor of the Key West Church of God for many years. The Church property has as its address 1419 White Street, but we share a common boundary with Mrs. Clisby's property on 1210 Washington Street. Her side boundary adjoins our rear boundary.

Mrs. Clisby's representative, namely, Mr. Mark D. Smith, has discussed with me her plan to seek City approval to construct an eight (8") foot fence between our properties of the type and design that currently exist between the 1210 Washington Street property and the 1212 Washington Street property. I understand that she is authorized to build a six (6') foot fence at the present and her request for a Variance is to allow the new fence to match that which already exists on the other side of the property.

Please be advised that I am in complete agreement with Mrs. Clisby's plans, and that I support her applications for HARC approval and a Variance to construct a new fence between our properties as noted herein.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Pastor Raymond L. Shockley
