I placed another stop work order at 3800 Duck Ave. The deck has been completed and the permit 15-3408 is printed at the building department and waiting for payment and pick up. Wardlow Construction. Case # 15-1238. Also, Electrical permit needs to be addressed for pool. Eagle Eye only pulled a permit for inspection not the work that was done.

Carolyn,
I went by the property on 12/10/2015 at 11:50am. I placed another "STOP WORK ORDER". The permit was printed and waiting to be picked up and paid for. The deck appeared to be complete.

Within a few hours I received a call from Chris Wardlow saying he just picked up the permit. I had placed the first Stop Work Order on the property for deck work already under construction on 9/17/2015. Wardlow went to the CEB on November 12, 2015 .
