RE: Historic Seaport RFP-24 #007 Holiday Decorating.

Dear Karen:

I hope this letter finds you well.

The purpose of this letter is to provide a list of products and services we are proposing for the 2024 Holiday Season updated today July 1, 2024.

The list provides for the same level of decorations and tree lighting as was provided for the 2023 Holiday Season. All tree lighting will be upgraded to 24 Volt and all the garland on the poles, railings and terminal building will be new in 2024.

The annual cost for these products and services is \$137,837.96.

We also provided a list of optional items in the event you would like to add these in the future. They are priced individually.

We have enjoyed working with you and the Historic Seaport Staff and are looking forward to the 2024 Holiday Season.

Please feel free to contact me anytime with questions at my cell at (954) 461-6598. E-mail patbrandano@brandano.com

Very truly yours,

A handwritten signature in black ink, appearing to be 'Pat Brandano', with a long horizontal line extending to the right.

Patrick J. Brandano

<p>Note: For the 2024 Holiday Season all designs and services are described below. Due to the expense of housing for our crews and the cost of lights and rental equipment some prices have increased significantly. Regarding display designs, we can create custom designs of equal size and scale for the pricing we have provided. This is significant for the designs on the Bath House, Canary and the Dockmaster building. We are proud to be your vendor and have the opportunity to work with the enthusiastic Key West staff at the Historic Seaport.</p>				
Ramps and Rails throughout Seaport	all	Natural Green Garland and Bows	500' of 12" Diameter branch type lighted Garland will be draped on rails and stairways throughout the Historic Seaport "Harbor Walk".
