Background

Each year, the City Manager and staff develop a budget guided by the City Commission and staff's key priorities and initiatives as determined through planning and strategic plan developments along with operational departmental needs.

On July 24, 25, and 26, the City Manager held budget workshops which presented a proposed operating budget to the City Commission. Over the 3 days of budget workshops, questions were posed and answered in regard to funding allocations for departments and funds.

In addition to addressing the operational funding commitments outlined in the July budget workshops, the FY 2024 budget will allow for several new positions and considerable investments in both infrastructure and the City's strategic goals.

Recommendation

Approve the tentative budget in the amount of \$252,048,018 for the City of Key West's General Fund, Infrastructure Surtax Fund, Internal Improvements Fund, Fort Taylor Surcharge Fund, Affordable Housing Trust Fund, Truman Waterfront Fund, Adaptation & Sustainability Fund, Community Fund, Transportation Alternative Fund, Community Development Office, Law Enforcement Trust Fund, Bahama Village TIF Fund, Caroline Street Corridor TIF Fund, Sewer Fund, Stormwater Utility Fund, Solid Waste Fund, Key West Bight Fund, Transit System Fund, Garrison Bight Fund, Capital Projects Fund, and Insurance Fund for the Fiscal Year beginning October 1, 2023 and ending September 30, 2024 presented herein.
