RE: Support for Variance Request - George Beys 1707 Bertha Street, Key West, Florida

To Whom It May Concern,

My name is Denzil Hatch, and I am the owner/resident of the property located at 1705 Bertha Street in Key West, Florida, which is adjacent to 1707 Bertha Street.

I am writing to express my support for the variance request being sought for the property at 1707 Bertha Street. As a nearby neighbor, I am familiar with both the property and the surrounding area, and I do not have any objections to the requested variance.

I believe the proposed request is reasonable and consistent with the existing neighborhood. I do not feel it will negatively affect surrounding properties or the overall character of the area. I appreciate property improvements that are thoughtfully planned and maintained, and I support the owner's efforts regarding this project.

For these reasons, I respectfully ask the Planning Board to consider approving the variance request.

Sincerely,

Denzil Hatch
