

COMMENDATION

Lisa Tennyson has been a valuable member of the Planning Board for the past five and a half years, starting her service in April 2010. The Planning Board was established to have the authority and responsibility to review land use in the city and evaluate planning and regulatory techniques for resolving physical, economic, social, environmental, and fiscal issues.

Membership on this board requires not only knowledge in this discipline but hours of work during evenings and weekends. Carrying out the functions and powers identified in the land development regulations is no easy task. Lisa's contribution toward the planning of land use and continuing growth management evaluation benefitted the safety, economic, and cultural welfare of the citizens of this city.

Thank you for your support of and participation in the Planning Board.

In recognition of this honor, I, Margaret Romero, Commissioner of District 5 of the City of Key West, hereby present this commendation to

Lisa Tennyson

Witness my hand and seal of the City of Key West, Florida, this 2nd day of December 2015.

Margaret Romero, District 5 Commissioner
