I am interested in being on the Tree Commission and think my experience with the Community and horticulture would be a positive addition to the group.

I live in Key West and have full time since 2001. I have owned my house here since 1989.

I have been a member of the Key West Garden Club since 2001 and am serving my second term as President, 2009-2013

Board member of the Trophia Butterfly Foundation 2006 to 2009. Vice-President 2007-2009.

Secretary of the Monroe County DEC 2010 -present

Member of the Higgs Beach Planning Committee 2009-2010

Graduate of the Leadership Success Academy spring 2009

Master Gardener Graduate 2007

Member of Clean and Green then GLEE 2006-present

Graduate of the Key West Ambassador Academy Class VI 2005

Retired from the Health Care field in 2001. I managed a Hematology/ Oncology medical practice and a clinical laboratory in South Weymouth, Massachusetts for 25 years.

Thank you for your consideration,

Suzanne Sullivan
