PLEASE, MIND THAT ONE NIGHT STAY IS AVAIL ONLY FOR THE MONTH OF JULY AND AUGUST. THE REST IS 2 NIGHTS MINIMUM. THANKS!

A small, but very nice looking room with a private bath in a great midtown location. Queen bed. Wi-Fi. Parking. Laundry. Shared kitchen and dining.

I work most of the day, so you are not going to see me very often. I always make sure my guests have their privacy and respect their needs.

The house is located on one of the main streets of Key West. We do have double windows that keep all the noise of the street away - you are not going to hear any of it! There are a couple restaurants and a grocery store right across the street. Smathers beach is a 5 minute walk away.

There are up to 2 parking spaces available right in front of the house. if you would rather use a bus - the bus stop is right across from the house!

We are in the very beginning of MidTown - not far from downtown attractions and shopping centers!

Polina was very nice  
She helped with direction and was easy to communicate with.

But the place was not clean as we expected.

Stayed for 2 nights at Polina's house. The room is great, has own bathroom - really don't need anything else. Bed is mega comfy and a/c has saved numerous lives (including mine) in the night heat. I rented a bike - it takes less than 10 minutes to get into the center. Polina is an awesome host, i met a lot of her friends and had an awesome time in Key West thanks to her.

Franck

Very pleasant stay at Polina's house. The room was very clean and bigger than what I was expected. Very good bed too. Polina has been very helpful and tried her best to make my stay enjoyable. The house is perfectly located and very close to Duval street. Merci Polina :)

Dennis

Great place, easy to find. Lots of good vacation suggestions from the host.

At first we thought: oh, thats not the prettiest house, but inside its very nice, clean (depsite of tiny insects)

In our room (with private bathroom) we had our privacy.  
U could use kitchen, dining room!

Polina was very friendly and nice, so we would definitely recommend this place.

We had a rental car, so we drove everywhere, we cant tell u how long a walk to the center will take you, but to smathers beach its really only 5 to 10 minutes!

key west is small, so 2 days were enough (even if it was rainy the whole 2nd day) but we really enjoyed our last days of a marvellous 6-weeks journey

Maja

We had a great stay at Polinas even though we did not get to meet in person. The location is very central to get around in Key West! We were provided with everything we needed and as described. Thanks Polina & Marsha!

Nascha

The room was as advertised-cosy and comfortable with a private bath. There was on-street parking right in front of the house. We brought our bikes and it was an easy bike ride to downtown and all the activities. We could lock our bikes up in the fenced yard, as well. The room was air conditioned, had a ceiling fan and was comfortable. Polina was friendly and welcoming.

Heike

Polina is a nice and friendly host. She tried to help us with restaurants, the internet etc. The house was about 45 minutes to walk from Duval Street, the main touristic area with bars and restaurants. The room was clean but the house itself is neither from inside nor from outside in the best condition and sticky. For this price we expected more, even in Key West.

David

Very pleased with the room at Polina's! It was clean, quiet and suited my purpose well. I would certainly stay again. Thank you.

Polina is a very responsible person. I have been working with her in the past and can tell she was always very attentive to her guests needs. The room she offers for rent is quite cute, and has everything one needs. I am hosting on here too, and whenever my place is unavailable I recommend Polina's room!
