

LIMITED/NARROW ADDENDUM NO. 3
Services for Disaster Response
RFP 26-008

Addendum No. 3 is issued for the limited purpose of providing a corrected **Cost Proposal Form for Table B**. This Addendum does not reopen the Request for Information period and does not otherwise modify the solicitation except as expressly stated herein.

This Addendum is issued as supplemental information to the Request for Proposal package to clarify and correct certain matters related to the Cost Proposal Form for Table B. The referenced Request for Proposal package is hereby amended only as provided below:

1. Clarification: [No Changes]

2. Changes to Submission Requirements:

- 1) Following issuance of Addendum No. 2, the City reviewed the solicitation documents and Addendum #2 and determined that a corrected version of Table B should be issued to ensure consistency in cost proposal submissions. Addendum No. 3 is issued solely for that limited purpose.

Proposers shall use and submit the Cost Proposal Form issued with Addendum No. 3 as the controlling version of Table B. For ease of reference, the corrected Cost Proposal Form is included with Addendum No. 3 and has also been uploaded to DemandStar as a separate standalone attachment for all Proposers to reference. Proposers may complete Table B either within Addendum No. 3 or by submitting the standalone Cost Proposal Form; however, in either case, the version issued with Addendum No. 3 shall control.

The Cost Proposal Form issued with Addendum No. 3 supersedes and replaces any prior version of Table B, including the version previously issued with Addendum No. 2. Proposers are advised that the Table B form included with Addendum No. 2 contained typographical errors and/or

formatting inconsistencies. Proposers shall not use any prior version of Table B when preparing their proposal.

Except as expressly modified by Addendum No. 3, all other terms, conditions, requirements, deadlines, evaluation criteria, forms, and provisions of the solicitation remain unchanged.

3. Updates to Project Timeline: [No Changes]

4. Responses to Questions: [No Changes]
